

# COUNT DE NEVERS SENT TO SING SING

Five Years' Sentence for Making False Bail Bond for Chauffeur.

Charles, Count de Nevers, eldest son of Oscar, Duke de Nevers, was today sentenced to serve five years in Sing Sing Prison by Judge Foster, in the Court of General Sessions.

De Nevers was charged with making a false bail bond in obtaining the release of William C. Douglas, a chauffeur, who was arrested last June for exceeding the legal speed limit. The bail demanded at that time was \$100, and De Nevers gave as security the property at No. 123 West One Hundred and Seventy-seventh street, which he did not own.

A few days ago the prisoner addressed Judge Foster, telling a brilliant story of his work for the French Government, of how he had fought in China, in Dahomey and the Sudan; of how he had led an expedition for the relief of Livingston and how President Carnot, of France, had made him a Commander of the Legion of Honor. This plea was that he did not know the law relative to bail bonds, that the police sergeant had declined \$100 in cash and that he gave the home of a friend as that of his own. In reply Judge Foster said:

"I have thoroughly investigated your case. What you say as to your French relations is true. All the rest is untrue. I have been given to understand that you are a bigamist and that you have been on trial before and that you have given the authorities much trouble. I will sentence you to five years in Sing Sing Prison."

# GORGEOUS "L" GUARD APPEARS IN COURT.

Solomon in All His Glory Never Was Arrayed Like the Railroad Man.

A gorgeous personage, in the very latest paddock coat, fancy patent leather shoes, ultra-ultra trousers and coatings, with a large headlight glittering in his immaculate tie and a chrysanthemum adorning his coat, glided into Morrisania Court today.

Court attendants asked one another whether this was Jimmie Hyde, or what social celebrity. When the case of Mike Zeno was called, the sartorial and lavish display moved into the witness stand and introduced himself as Barney Witzberg, an Interborough "L" guard, living at One Hundred and Forty-ninth street and Third avenue.

He appeared against Zeno, charging him with disorderly conduct on an "L" car.

Magistrate Walsh decided that although the guard had no right to lay his hand on any one as he had on Mike, Zeno was guilty of disorderly conduct in

# HERO SAVES 25 FAMILIES FROM FIEND'S DEADLY BOMB

Risks Life to Cut Sputtering Fuse of Keg Filled with Powder and Scrap Iron Left at Door in Crowded Tenement.

Twenty-five families were saved from probable death and the big tenement-house at No. 64 Leroy street from being blown away today when a daring man cut the fuse leading to a most dangerous bomb on the second floor of the structure.

Supt. George E. Murray, of the Bureau of Combustibles, to whom the bomb was delivered, later said it was heavily charged with black powder and the construction made it one of the most dangerous he had examined in a long time.

The deadly contrivance was found in front of the door leading to the apartments of Michael Legretto. It was made of a small paint keg with stout oak staves, hinged with five steel bands.

From the head of the keg, through a small hole, there extended, when the bomb was discovered, about five inches of slow burning fuse, consisting of a rope inclosing powder. Inside the keg was divided into three compartments by light wooden partitions. The top compartment contained about two pounds of powder mixed with fragments of scrap iron of all sorts. The central compartment contained nothing but powder, about three pounds. The lowest compartment, like the top one, contained powder and scrap iron. This bomb was thus like a huge shrapnel shell.

Would Scatter Death.

It was evidently the design of its maker that in addition to wrecking the part of the house near where it was placed, the fragments of wood, the steel hoops and the bits of scrap iron should be hurled into the Legretto apartment, carrying death to whomever they struck. Had such a bomb exploded in its open street, with persons about, any one within a radius of fifty feet, in Supt. Murray's opinion, would have been in danger from its scattered contents. The scrap iron included all sorts of odds and ends, bits of files, small bolts, nuts, washers, fragments of an iron savings bank, nails and screws.

The keg is about six inches tall and six inches in diameter. The powder was black and fine, of the kind used in sporting weapons.

The bomb was discovered by a woman who was passing through the hall. She quickly alarmed the janitor, I. C. Levy, and he shouted at the top of his voice, alarming the tenants.

Watchman Cut Fuse.

Somebody notified John Skelly, a watchman on a building in course of construction a few doors away. With rare courage he whipped out a knife, although momentarily expecting an explosion, he cut the fuse, which by that time was within an inch of the bomb.

Policeman Dennis, of the Charles

# GIRL'S SWEETHEART ACCUSED OF THEFT

Says She Will Get Him Out of Jail if She Dies for It.

An attractive young woman, handsomely groomed, with diamonds blazing in her ears and on her fingers, was arraigned today before Magistrate Wahlie, in the Centre Street Police Court, with three men, two of them ex-convicts, accused of burglary.

It developed that the young woman, who said she was Tessie Buchanan, twenty-two years old, of No. 83 Second street, had eloped with David Reimer, one of the alleged burglars, and had been arrested with him and the two other men in a room at No. 44 Grand street, Albany, yesterday, by Detectives Duggan and Kinsler, of the Central Office. The three men, Max Scanley, of No. 82 Second street; Harry

Manley, of No. 146 Broome street, and Reimer are accused of being implicated in the theft of \$2,000 worth of sheet metal from the lot of W. R. Hirsch, a silversmith, at No. 146 Sullivan street, October 25.

Through police channels Duggan and Kinsler ascertained that Stanley and Manley, who have only been out of prison a little more than two weeks, had been concerned in the theft. A search for the two men led to Albany.

Reimer, who was concerned in the burglary, said that he and the woman had eloped from this city the day before the burglary took place. Two newspaper clippings, giving a detailed account of the burglary, were found on Stanley.

In court today the woman declared she had no hand in the burglary. She said she and Reimer had accidentally run across Stanley and Manley in Albany and knowing them had invited them to her rooms. Magistrate Wahlie discharged her and remanded the men to the Tombs until tomorrow to give the detectives an opportunity to get more evidence.

The woman left the court room vowing she would get Reimer out of jail if she had to die for it.

# The Hospital

Thousands of surgical operations are performed every year in our great city hospitals upon women afflicted with serious female troubles. Sometimes the operations are successful—oftentimes they are not.

It is safe to say that certainly nine out of ten operations for female troubles might have been wholly avoided.

The most valuable tonic and re-builder of the female organism, the medicine with a record of thousands of cases literally snatched from the operating table, is

**Lydia E. Pinkham's Vegetable Compound**

Do not consent to an operation which may mean death until after you have given Lydia E. Pinkham's Vegetable Compound a fair trial. Note what it did for Mrs. Paul Oliver, whose letter follows:

DEAR MRS. PINKHAM:—I was suffering from pains in my side and womb. The doctors said to get well I must have an operation performed, but I would not consent to that.

I heard of Lydia E. Pinkham's Vegetable Compound and sent for a bottle; the first dose did me good, and after taking the first bottle I could sleep all right and I did not have those pains around my womb which I had all the time before. Now I can ride ten miles in a carriage, my color has returned, and I am full of life. I owe all this to the Vegetable Compound. It has also done wonders for my thirteen-year-old daughter. I will never cease to praise it and recommend it to my friends.

MRS. PAUL OLIVER, St. Martinsville, La.

Thousands of women, residing in every city and town in the United States, bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound. It cures female ills and creates radiant, buoyant female health. For your own sake try it.
